Cash for Cars F.A.Q.

If you have an old clunker sitting out back that you haven't had time to get rid of, there is no time like the present. Junk Car Cash Out is always looking to purchase your Salt Lake City junk cars and scrap metals. If you aren't sure about the process or requirements, check out the following FAQs for all the information you need to sell us your junk car or scrap metal.

Do I Need the Title to Sell My Car for Cash?

If you are looking for a same-day payment for your vehicle, you must have the title with you at the time of sale. If you don't have the title, no worries. We can still take your vehicle, but we won't be able to pay you until we obtain a replacement title.

How Much Will You Charge to Tow My Vehicle?

Nothing. We will come to your house in Utah and tow your vehicle for free. If you have ever tried to move a car with flat tires or don't have the means to get your car to our Salt Lake City lot, you could definitely appreciate this service.

How Much Cash Will You Pay Me for My Junk Vehicle?

This depends upon several factors. Obviously, prices are dependent upon year, make and model of the vehicle. In addition, the amount you will receive varies based upon how much damage there is to the vehicle, what parts are included and what is missing from the vehicle. If you would like to get a quote before you make a commitment to sell your vehicle to us, feel free to give us a call for a free estimate.

What If I Have Multiple Junk Vehicles I Want to Get Rid Of?

Give us a call; there is no limit to the number of vehicles you can sell us. We are more than happy to buy multiple vehicles from you. We can also give you a free quote over the phone for all of your vehicles.

What If My Vehicle Is Totaled?

No problem! We purchase all junk cars, including those that have been in accidents, those considered totaled, and those with salvage titles. Just make sure you have your title and other pertinent paperwork on hand to receive quick cash for your vehicle.

Do I Need to Be Present to Get Cash for My Car?

Not necessarily. We can pick up your vehicle without you, as long as you have provided the necessary documents to us beforehand. However, if the vehicle is in a locked yard or storage facility, you will need to be present to allow us access to the vehicle.

Can You Help Remove Other Junk for Me?

Yes. If you have scrap metal you'd like to get rid of, old appliances, hot tubs or other junk that you want hauled off, we are more than happy to help. There is a charge for junk removal service, and it is depending upon the size and type of items you want hauled away. For more information on fees or to schedule a pickup, give us a call.

If you are looking for extra cash for things that are lying around your home, business or storage facility collecting dust, give us a call. We offer more than cash for junk cars; we buy scrap metals of all types. We also tow cars that are in working condition, and provide a few other services that are useful to those in the area. If you would like to sell your car or truck for cash in Salt Lake City give us a call. We are always happy to help!
